## Greetings from the East MASTERS MESSAGE

Brethren,

First, I would like to thank everyone who attended our 147<sup>th</sup> annual installation of officers, you made the night most enjoyable and I hope all of you had an enjoyable evening as well. Next I want to extend my personal thanks and sincere appreciation to all my Brethren whom went the extra mile to make the night possible and made the installation a success, thank you.

The upcoming year looks to be falling in place and we have plenty of activities in the works. As always we need volunteers to take charge, do the planning and organization for these various activities. I am looking mainly to our line officers to volunteer for these activities, but help from anyone will be accepted. To date we have the Christmas party, St. Patrick's Day and the Summer Picnic covered. We still need people to step up to the plate (not just to eat), and take charge of other activities. Remember, Volunteering will make us both feel better than Assignment. As always at any of our functions all members are welcome to contribute, help organize, setup, cleanup, bring cookies, cakes, etc.

I look forward to the upcoming year and want to thank all of you in advance for your support and help.

*Fraternally*

*Robert Early, W.M*

## Children's Hospital

Brethren,

A big Thank You to all who sent donations and gave weekly to the collection jar. Through your support, we were able to meet and exceed our goal by \$600.00, making our donation to the Judith Power's Pediatric Dialysis Unit at the Cleveland Clinic's Children's Hospital for Rehabilitation \$3100.00. This brings our total donation for the past five years to \$15,850.00. Great job brethren and families, once again Thank You.

Fraternally,

Don Kammer, P.M.
